2 CHRON 22:1-22

Consider who the most influential people in your life are and the effect of their influence on you. Ahab was badly influenced by his own mother and a relative named Joram. His relationship with each of them led to his downfall. He listened to their advice, and it eventually cost him his life. You need to be wise about who you listen to. We all need godly influences who will help us become more like Christ. Pursue relationships that lead you to become the person God has made you to be.

WHO ARE THE MOST INFLUENTIAL PEOPLE IN YOUR LIFE?

HOW IS THEIR INFLUENCE SHAPING YOU?

WHO CAN YOU INFLUENCE FOR CHRIST?

2 CHRON 23:1-21

WHAT SITUATIONS IN YOUR LIFE REQUIRE COURAGE?

WHAT KEEPS YOU FROM BEING MORE COURAGEOUS?

HOW COULD GOD USE YOU TO BE A LEADER FOR GOOD?

Doing what is right in a sinful world takes courage. Sometimes those who do my are responsible for wrongdoing and it takes risk to stand up for what is right. Jehoiada shows us that it looks like evil to good in the face of evil. The queen had killed all the prophets to the throne, but Jehoiada protected Joash and opposed the queen despite the risk. He led others to do the same and tore down the idolatry. For Christ, takes courage. God will give you the strength you need to do what is good when you commit to Him with all your heart.

2 CHRON 24:1-14

Joash led the nation to restore the temple, and our King Jesus is also leading a restoration process. He wants to restore people and make us His temple. For Judah, the work required sacrifice, generosity, and commitment. The same will be required of us. But notice that all the people rejoiced to be a part of God's work. Despite the sacrifices involved, we should rejoice that God wants to use us. We should be eager to give of ourselves to see others restored to God.

WHAT MIGHT IT LOOK LIKE FOR YOU TO SERVE THE LORD WITH JOY?

HOW CAN YOU HAVE JOY EVEN WHEN SERVING THE LORD COSTS YOU SOMETHING?

HOW CAN GOD USE YOU TO RESTORE PEOPLE TO HIM?

2 CHERONI 24:15-22

WHY IS IT IMPORTANT TO UNDERSTAND THAT YOUR PARENTS' FAITH CANNOT SUSTAIN YOUR SPIRITUAL LIFE?

HOW CAN YOU OWN YOUR FAITH FOR YOURSELF?

WHAT CAN YOU DO TO REMAIN COMMITTED TO GOD IN EVERY SEASON?

When JOSEPH'S brothers came to him in prison, they were surprised away from him. He told them that they were not to be afraid, for he was with them. He said, "I have seen you in a dream, and I have said to you, 'Do not be afraid.' For I will sustain you, and you shall prosper. I will bring you out of here, and I will restore you to your father, and you shall prosper." A good servant of the Lord does not get carried away by a good season. You must strive to follow Jesus in every season. When you go to college, find a career, or move away from home, each transition will be an opportunity for you to serve the Lord more or to move a different path. Your faith must be your own. Strive to grow your faith in every season.

2 CHERONI 24:23-27

For better or worse, we reap what we sow. That's an agricultural phrase that simply means if you plant an oak tree, an oak tree will grow, and if you plant a rose bush, a rose bush will grow. Noah led the nation to spiritual ruin and betrayed a righteous prophet. His destructive leadership brought destruction upon himself. Be wise about the kind of habits you are sowing, because at some point you will reap. We can also reap the fruit of the Spirit: blessings and goodness. So plant these seeds of righteousness, love, grace, and kindness. Sow what you want to reap.
